Honours Received

Provost R. S. K. Seeley received an honorary degree of Doctor of Civil Laws from Bishop's University, Lennoxville, Que., at the annual convocation on June 1.

Professor R. MacGregor Dawson received an honorary degree of Doctor of Laws from the University of New Brunswick.

Dr. C. H. Best received the honorary degree of Doctor of Laws at the annual medical convocation of Queen's University in June, and delivered an address on the problems of euthanasia. The 1950 Sir Joseph Flavelle medal awarded by the Royal Society of Canada for medical research was presented to Dr. Best at Kingston on June 6. Dr. Best was elected a foreign associate of the National Academy of Sciences.

Professor Barker Fairley received the degree of Litt. D. *honoris causa* from his old university, Leeds, and delivered lectures on Goethe in London, Oxford, Cambridge, Dublin, Edinburgh and other universities in Great Britain during April and May. He also visited Germany and lectured at Bonn, Cologne, Göttingen and Berlin. Professor Fairley has been awarded the J. G. Robertson prize for the best piece of critical writing published in Britain during the last three years on a subject of German literature.

Officers Named

Dean J. W. B. Sisam was elected president of Canadian Institute of Forest Products, a new organization which is primarily concerned with technical development in industrial groups other than pulp and paper.

Lester L. Snyder was appointed a Canadian member on the international committee of the International Ornithological Congress at its meeting at Upsala, Sweden, in June.

Professor S. D. Clark has been elected a vice-president of the Canadian Political Science Association and Professor C. B. Macpherson is the secretary-treasurer for the current year.

Dr. D. G. Creighton has been chosen president of the Humanities Research Council of Canada.

Professor R. J. Getty was elected vice-president of the Classical Association of Canada.

Dr. R. P. Lowery was elected president of the Canadian Dental Association for 1950-51.

Carl A. Johnson was elected a director of the Purchasing Agents' Association of Toronto at the annual meeting in May.

Dr. W. Stewart Wallace is president of the Canadian Library Association for the year 1950-51.

Miss K. L. Ball is chairman of the Cataloguers' Section of the Ontario Library Association for the current year.

Miss Agatha Leonard is president of the Toronto chapter of the Special Libraries Association for the current year.

Conferences Attended

Dr. Ward Smith was a representative of the Province of Ontario at the First International Conference on Alcohol and Traffic at Stockholm in August.

Professor E. W. McInnis will represent Canada at the Institute of Pacific Relations Conference at Lucknow, India, this month.

Professor S. G. Hennessey participated in the Advanced Management Programme of the Graduate School of Business Administration, Harvard University in April.

Professors A. Brady and C. B. Macpherson attended the conference of the International Political Science Association at Zurich in September.

Professor S. D. Clark attended the conference of the International Sociological Association at Zurich in September, and presented a paper entitled "American Expansion and the Canadian Reform Movement."

Professor G. A. Elliott attended the International Economic Association conference, at Monaco, in September, and presented a paper entitled "Canadian Problems of Long Term Economic Balance."

Dr. W. G. Cosbie, Dr. Crawford Shier and Dr. H. B. Van Wyck attended the International and Fourth American Congress of Obstetricians and Gynaecologists at New York in May. Dr. Cosbie read a paper on "The Diagnosis of Cervical Cancer" and Dr. Van Wyck took part in a symposium on "The Toxaemias of Pregnancy" and attended the Maternal Welfare Committee meeting on the classification of the toxaemias of pregnancy.

At the Canadian Medical Association's annual meeting held in Halifax in June, Dr. N. Henderson presented a paper on "The Diagnosis of Uterine Cancer" and Dr. John Mann spoke on "The Role of Obstetric Forceps in the Management of Toxaemia." Dr. H. B. Van Wyck addressed the general session on "The Management of Difficult Labor."

Dr. J. C. Goodwin, Dr. D. N. Henderson, Dr. John Mann and Dr. D. E. Cannell attended the annual meeting of the Society of Obstetricians and Gynaecologists in Canada at Digby, N.S. Dr. Goodwin took part in a symposium on Genital Prolapse and Dr. Cannell read the discussion on Dr. Joe Meigs' paper on Endometriosis.

Professor A. S. P. Woodhouse addressed the International Conference of Professors of English at Magdalen College, Oxford University, in August, and delivered a course of lectures at the University of London in May.

Father L. K. Shook attended the annual meeting of the Canadian Catholic Historical Association at Joliet, Que., in September, and read a paper entitled "Saint Michael's College, the Formative Years, 1850-1853."

Professor Etienne Gilson and Professor A. C. Pegis attended the International Scholastic Congress held in Rome early in September. Dr. Pegis read a paper on "The Cognition of Non-Being in Matthew of Aquasparta" and Dr. Gilson gave two addresses, one entitled "Duns Scotus in the light of Historical Critical Research" and the other "Historical Critical Research and the Future of Scholastic Philosophy." Professor Gilson also spoke at the International Thomistic Congress held in Rome later in September.

Professor T. J. Meek read a paper at the Easter meeting of the American Oriental Society in Cincinnati on "The Interpretation of Section 58 in the Code of Hammurabi." Professor Meek also delivered two Haskell Lectures at Oberlin College in May on "The Origin of the Hebrew People." These will be published shortly by Harpers in the new edition of *Hebrew Origins*.

Professor B. E. Shore attended the annual meeting of the American Association of Teachers of Slavic and East European Languages of Canada at McMaster University on June 11 and was elected vice-president. He also attended the Central Canada Chapter meeting of the Association at the University of Ottawa on August 4.

Staff Notes

President Sidney Smith has been elected a Fellow of the Royal Society of Canada.

Professor Northrop Frye has received a research fellowship of the John Simon Guggenheim Memorial Foundation for the preparation of a book on the structure of allegory in Spenser's *The Faerie Queene* and a study of the symbolism of Shakespearean comedy.

Dr. Jean I. Hubener has received a Guggenheim fellowship for a study of German literary and scholarly publications during the second World War and the immediate post-war period.

Professor H. S. M. Coxeter has been elected to a fellowship in the Royal Society of London in recognition of the quality and content of his research work in mathematics.

The Governor-General's Literary Award for fiction has been won, for the second time, by Professor Philip Child for his "Mr. Ames Against Time," which also won the Ryerson Fiction Award.

Professor R. MacGregor Dawson also received, for the second time, the Governor-General's Literary Award for academic non-fiction, for his book, "Democratic Government in Canada."

Dr. A. C. Pegis has been elected a Fellow in the Royal Society of Canada.

Dr. Robert E. Moyers won the Prize Essay Contest of the American Association of Orthodontists for his essay entitled "An Electromyographic Analysis of Certain Muscles Involved in Movement at the Temporo-mandibular Articulation."

Dr. C. R. Young was awarded an honorary membership in the Engineering Institute of Canada at the annual meeting in July.

Professor Charles E. Hendry has been actively participating in the creation of the World Organization for Brotherhood, initiated by the Conference of Christians and Jews of the U.S. and Canada, and supported by UNESCO. In June, he was director of an Institute on Inter-Group Relations held in Paris in connection with the first meeting of the organization. In July he represented the School of Social Work (along with Mrs. Marjorie King) at the Paris meetings of the International Conference of Social Work and the International Conference of Schools of Social Work. During most of the summer he studied community organization in Scandinavia, for which he had been awarded a United Nations Social Welfare Fellowship.

Father L. J. Klem has returned to the French staff at St. Michael's after a year's leave of absence.

Professor Robert Rosevear gave a lecture demonstration, "Something Unusual in Brass Ensembles," at the mid-summer convention of the Canadian Bandmasters' Association in July. He was also adjudicator at the New York State School Music Association Festival at Barker, N. Y., in May, and acted as music advisor for the Kingston Rotary Music Festival.

Dr. H. B. Van Wyck was guest speaker at the Pacific Northwest Society of Obstetricians and Gynaecologists which met in Vancouver in May.

Dr. K. C. Fisher has been granted leave of absence for 16 months to take an appointment as supervisor of the Defence Research Board's Northern laboratory at Churchill, Man.

Professor G. Gordon Brown has been awarded a grant-in-aid by the Canadian Social Science Research Council to study the Indian question.

Dr. C. T. Bissell gave a series of five talks in September on five Canadian novelists, over the CBC's Trans-Canada network.

Professor F. V. Winnett has been appointed Director of the American School of Oriental Research in Jerusalem for 1950-51, and has been granted leave of absence for the session.

Dr. F. M. Heichelheim's book, "Wirtschaftliche Schwankungen der Zeit von Alexander bis Augustus" has been accepted for a revised and supplemented translation into Italian by La Nuova Italia Editrice in Florence.

Rev. W. O. Fennell, Dr. L. E. M. Lynch and Dr. D. C. Williams were on the teaching and administrative staff of the I.S.S. Canadian Seminar at Pontigny, France, during the summer, and later chose candidates in Germany for Canadian I.S.S. scholarships.

Provost R. S. K. Seeley was in Britain for the Trinity College Centennial and visited Trinity College, Oxford, and Trinity College, Dublin.

Professor Griffith Taylor accepted the invitation of the British Council and the University of Birmingham to visit the Universities of Birmingham, Cambridge, Leeds, Edinburgh and Aberdeen, and gave an average of three lectures at each dealing with his geographical research. He represented the University at the centenary of Birmingham University. Dr. Taylor also made rapid surveys of six districts of interest in glacial geography, the bygone "Middle Severn" Lake, the glacial channels in East Yorkshire, the Lake District, the cirques of Skye, the Glenroy Terraces, and the glaciology of Ben Macdui near Balmoral.

Professor F. E. L. Priestley has returned to the Department of English, University College, after spending a year on leave of absence in study and research in England.

Professor H. S. Wilson has also returned to the same department after a year's leave of absence spent in study and research at the Huntington Library in San Marino, Los Angeles.

Professor K. MacLean, Department of English, Victoria College, has returned after a year's study in the United States.

Leave of absence to study abroad has been granted to Professor J. Fisher and Professor W. H. Trethewey, Victoria College, and to the Rev. W. O. Fennell of Emmanuel College.

Professor B. E. Shore represented the University at the inauguration ceremonies of Dr. A. P. Coleman as President of Alliance College, Cambridge Springs, Pa. on June 4. Professor Shore addressed the London Chamber of Commerce on Sept. 14 on "Russian Foreign Policy in the Far East."

Evelyn Andrus, Photographic Service, has been made an Associate of the Royal Photographic Society of Great Britain for her work in color photography.

Professor C. F. Morrison, as a representative of the Engineering Faculty, visited the United Kingdom as a guest of the British Government for two months this summer to see manufacturing plants and research and teaching institutions.

Professor W. A. M. Hewer and Professor W. G. Macdonald spent the summer months at the Research Project at Chalk River, Ont.

Principal Mazzoleni will address the Toronto branch of the ORMTA on October 10 at the Heliconian Club.

Dean Sir Ernest MacMillan will be guest conductor of the Vancouver Symphony Orchestra on October 15.

Professor Leo Smith, who retired this year from his Faculty of Music position, has been appointed music critic of the Globe and Mail. He continues as a member of the Royal Conservatory's composition and violoncello faculties.

Dr. Eugene Hill has resigned from the Conservatory faculty to accept a post on the theory faculty of Miami University, Oxford, Ohio.

Clifford C. McAree is principal of the new Forest Hill Branch of the Conservatory, which was opened at 366 Spadina Road last month.

Professor H. Boeschstein lectured on "Main Trends in German Literature, 1900-1932," at the summer school of European Studies, in Zurich, Switzerland.

Dr. H. Milnes, in association with Dr. Henry Kratz, University of Michigan, spent some time during the summer investigating German dialects of the Kitchener area.

Faculty and Department Notes

Professor Chassar Moir, head of the Department of Obstetrics, Oxford University, who has been at Queen's University on exchange, visited the Department of Obstetrics and Gynaecology. He addressed Grand Rounds on the subject of Pelvimetry, and lectured to Fourth year students on "Obstetrical Complications of the British Queens."

Headed by Charles D. Read of London, England, members of the British Gynaecological Travel Club from London, Birmingham, Liverpool, Manchester, Sheffield, Preston, Aberdeen, Edinburgh and Glasgow visited the Department of Obstetrics and Gynaecology in May after the New York Congress. The visitors were taken to the three University Hospitals and Professor Boyd held a Pathological Conference in the Banting Institute after which Dr. Charles Best was guide on a tour to the Department of Medical Research. A luncheon was held at Hart House at which Dr. S. E. Smith and Dean MacFarlane were guests of honour.

The School of Social Work has completed an experimental study of housing needs at the request of the Central Mortgage and Housing Corporation, which granted \$9,000 for this purpose. Field work was done in the city of Brantford under the direction of Dr. Albert Rose, assisted by Jacob Spelt and six graduate students in Social Work, Sociology and Industrial Relations. The study was designed to develop techniques of analysing housing needs in Canadian communities which desire to participate in the Dominion-Provincial housing program.

The School of Social Work's course on Counselling, directed by Professor John S. Morgan, was attended by specially selected officers of the Unemployment Insurance Commission from all parts of Canada, and was organized at the request of and with the close cooperation of the Commission as a contribution to its staff development.

Appointments, Promotions

Dr. William H. Watson has been appointed Head of the Department of Physics. Dr. Watson comes from Chalk River where he has been Assistant Director of the Atomic Energy Project and Head of the Physics sub-division.

Dr. Douglas Cannell has been appointed Professor of Obstetrics and Gynaecology and Head of the Department.

Dr. Wolfgang Friedmann has been appointed Professor of Law, and James B. Milner Assistant Professor of Law. Dr. Friedmann comes from the University of Melbourne, where he was Professor of Public Law, and Mr. Milner has been pursuing graduate studies on a Harvard Law School fellowship.

Appointments to the new Institute of Business Administration are: T. C. Graham, a director of J. D. Woods and Gordon Ltd., Management Consultants, who will be a Professor and teach Production, and E. M. Ballon, recent graduate of the Harvard Graduate School of Business Administration, who will be assistant Professor and teach Marketing. J. C. Sawatsky and W. S. Thompson have also been named Assistant Professors.

Dr. W. F. Graydon has joined the staff of the Department of Chemical Engineering as Assistant Professor. A graduate of the Department, he recently obtained his Ph.D. degree at the University of Minnesota. Dr. R. M. Husband has been appointed Assistant Professor of Cellulose Industries in the same Department.

Dr. Andrew Zinovieff has been appointed Director of the new three-year course in Physical and Occupational Therapy in the Faculty of Medicine, and will also be Consultant to the Workmen's Compensation Board and Consultant in Physical Medicine at Sunnybrook Hospital. Dr. Zinovieff has been in charge of the Department of Rehabilitation and Physiotherapy at Oxford's Radcliffe Infirmary.

Professor George F. Loughlin has been appointed Assistant Professor in the Faculty of Music. Professor Loughlin has been Director of Music at Cheltenham College, Glos., England, since 1943.

Recent promotions in the Faculty of Arts are: D. J. Le Roy (Chemistry), M. F. Crawford (Physics), and J. D. Ketchum (Psychology) to Professor; J. W. Graham (Art and Archaeology), and F. P. Ide (Zoology) to Associate Professor; R. F. Cain and K. F. Rothfels (Botany) to the rank of Assistant Professor.

In the Faculty of Medicine, C. G. Smith has been made Professor (Anatomy), and B. F. Crocker, H. A. Dixon, L. T. Armstrong, W. G. Cosbie, D. M. Low, H. J. Barrie, J. Campbell, F. G. Kergin and D. R. Mitchell are now Associate Professors. Promoted to Assistant Professorships are R. C. Dickson, A. R. Hagerman, R. I. Macdonald, J. C. Richardson, K. J. R. Wightman and N. M. Wrong.

In the School of Social Work, Mr. Alan Klein has been promoted to the rank of Associate Professor and Miss Opal Boynton to the rank of Assistant Professor.

Miss E. M. Howard has been made Assistant Professor in the School of Nursing.

In the Ontario College of Education A. P. Haig (Music), H. A. McGuire and C. C. V. Pitt (Education) have been made Associate Professors.

Dr. G. E. Wodehouse has been named Director of University Health Service, and Dr. W. F. MacKenzie is now Assistant Director.

In University College, Professor W. H. Clawson has retired after 43 years of service in the Department of English, and Professor J. G. Andison of the Department of French has resigned to accept the Headship of the Department of Modern Languages in the University of British Columbia. A. S. Knowland of Oxford and Cambridge has been appointed to the staff in the Department of English. The Visiting Professor in the Department of French is Professor Pierre Mélése (Docteur ès Lettres) formerly Professor of French Literature at the University of Montpellier, engaged for the last three years in the completion of the 11-volume Richelieu Edition of Molière, begun by the late Professor Gustave Michaut, and in the preparation of the 4-volume Richelieu Edition of Racine. He is the author of numerous scholarly works, especially on the drama of the 17th century, the best known of which is perhaps *Le Théâtre et le Public à Paris sous Louis XIV*. He will be giving a graduate course on Racine, a course on 16th century literature to the Third Year, and a course on 17th century drama to the Second Year Honour class. Promotions announced are: M. D. C. Tait to the rank of Professor of Greek and H. L. Humphreys to Professor of French; C. T. Bissell has been made Associate Professor of English, and D. M. Hayne Assistant Professor of French.

Dr. A. B. B. Moore, recently appointed President and Vice-Chancellor of Victoria University, assumed office on September 15. Appointments to the regular staff are: J. S. Wood, Associate Professor of French, J. R. Grant, Assistant Professor of Classics, G. N. Laidlaw, Assistant Professor of French, C. C. Love, Senior Tutor in Men's Residences and Lecturer in English, The Rev. J. R. Guthrie, Assistant Professor of Christian Education, Emmanuel College, and K. M. Dinsmore, Accountant of Victoria University. Promotions announced are: K. MacLean to Professor of English, Miss K. H. Coburn to Associate Professor of English, F. A. Hare to Associate Professor of French, G. W. Field to Assistant Professor of German, Miss R. I. Jenking to Assistant Professor of English, all in Victoria College, and C. V. McLean to Professor of Old Testament Literature and Exegesis, Emmanuel College.

Father L. K. Shook has been appointed Assistant Superior of St. Michael's College, and Father C. J. Lavery has taken Fr. Shook's place as Councillor.
